

VANTAGE POINTE VILLAGE
at Ashland City

Our residents, employees and families health, safety and well-being is always a priority at our VPV community. With the coronavirus (COVID-19) on everyone's minds, we want inform everyone, what actions we at VPV will be taking place related to this concern.

Some actions we are addressing include:

- Consistent updates with our State and Local Health officials and communication to those who live and work at the community.
- Constant contact with our Medical Director on any changes in protocol in regards to the (COVID-19).
- Monitoring all persons coming into our building for any signs or symptoms of COVID-19.
- Only evidence-based precautions that align with guidelines provided by the **CDC** will be deployed.
- Continuously reviewing emergency preparedness and response measures with our staff in the event that a virus impacts our community or the surrounding area.
- **VPV is suspending all- nonessential visitation at this time.** Changes to our travel and visitation guidelines for all employees, partners and guests will be on a day to day basis.

We are closely monitoring local, state and federal health agencies to ensure we can respond quickly and effectively to protect our community and mitigate risks of an outbreak.

Thank you for your cooperation!
